

Thesis Editing

Thesis Editing

Thesis writing and editing involves carefully reviewing material before it is published and suggesting or making changes to correct or improve it. The goal of editing is to ensure the material is consistent, coherent, and clear in terms of style usage, mechanics, and grammar. Our thesis editing, and proofreading services will help you prepare a thesis that you can confidently present to your dissertation committee.

As a student embarking on a rewarding career, you will deal regular assignments, semester projects and a course thesis project. We know what this involves and we have the best editors to guide you through the thesis writing process.

Simple steps to perfect Thesis Editing

- > Upload document to be edited and pubrica expert does analyses.
- > Expert then suggests the scale of edits—style, structure, copyediting
- > Agree upon the scope of editing and timelines.
- > Timely delivery in track revisions feature.
- > Updates and content revisions based on your feedback.

Our service highlights

▪ Subject-Matter Experts

Our in-house editor allocation system will assign your paper to a professional SME with editing experience in your subject. Get a free certificate of editing.

▪ Track revisions

All editing is done with the track changes feature turned on. We share a copy of the revisions for your review and feedback.
